## **BARRON'S 100 MOST SUSTAINABLE COMPANIES**

Marsh & McLennan was recognized in 2018 as one of Barron's 100 Most Sustainable Companies. This first-ever ranking evaluated the 1,000 largest publicly held companies by market value, looking at 300 performance indicators across five categories: shareholders, employees, customers, planet, and community.

## **CDP**

Our company has voluntarily reported to the CDP Climate Change since 2006. Responding to the Climate Change and Supply Chain questionnaires shows our stakeholders how we manage the risks and opportunities climate change challenges present. As part of this reporting activity, our greenhouse gas emissions are measured based on quantifiable energy metrics as well as industry-approved methodologies (where actual data is not available). In 2018, we received an A- score for our Climate Change response and an A score for our Supply Chain response.

## **UK CARBON TRUST STANDARD**

Marsh & McLennan's UK office portfolio was awarded the Carbon Trust Standard for our ongoing commitment to reduce our carbon footprint. Our UK network comprises the offices of operating companies Marsh and

Mercer in over 30 UK cities, as well as our European headquarters at Tower Place, London.

## **LEADERSHIP IN GREENER PURCHASING**

Marsh & McLennan was awarded a Leadership in Greener Purchasing Award from Office Depot North America for professional services leadership in green product purchases. Based on the spend patterns of thousands of its largest customers, Office Depot selected Marsh & McLennan as one of only 20 companies to be recognized for our amount of green purchasing compared to others in our industry.

Office Depot, Inc's Canadian subsidiary Grand & Toy recognized our Canadian offices with same award for being a leader in our sector for purchasing products with environmental attributes and ecolabels. This leadership award is based primarily on the percentage of green purchasing within our industry and our total spend with Grand & Toy.

## **LEADERSHIP IN ENERGY AND ENVIRONMENTAL DESIGN (LEED)**

Marsh & McLennan Companies has more than 780,000 square feet of our portfolio that is LEED certified.
